''Runnin' Runnin'''

You said it best when
You said there's nothing left
Nobody cares about anything anymore

Find all the words and
Let them tell you how you feel
Write something down, and make it real

You don't need them they need you
To keep on runnin' runnin'
Are you listening to what I'm saying?
That's the problem with runnin' runnin'

Crack down on the way we see ourselves in the mirror
Don't feel a thing just look the part and it's on
We all go down in one way or another
Changing who we are cause they tell us lies

You don't need them they need you
To keep on runnin' runnin'
It's a game that we're all playing and I can't take it
anymore

We need to stand up and say that we've had enough
Go ahead and try if you think you can shut us up
