We are the winners in the competition
We come first and you come second
Stopped all the talk and did the action
Coming with the force to rule the function
We got to show them that we are the ones
Who got the crown and are second to none
We are the winners inna dis ya session
Conquering victor born Champion
We come to tear up the place with style
Yer we come to turn up the heat get wild
We are the champions wow wow wow
We are the champions wow wow wow wow wow
We are the champions wow wow wow
We are the champions heavyweight champion
(chorus)
We rules the ring we are the heavy weight don
No pussy test or dem feel the action
We got to show them that we are the one's
We got the belt bring on the titans
Who got the trophy and we run the land
Don't try to take it or well tear of you hand
No time for losers in a dis profession
Conquering victor born Champion
We come to tear up the place with style
Yer we come to turn up the heat get wild
Chorus
Middle 8
We come to tear up the place with style
Yer we come to turn up the heat get wild
Chorus to end
