M. Gray, N. MacDonald)

Preacher man, say a prayer for me

I'm taking off these chains and breakin' free

There's a place that you wanna be

I'll take your world until I never wanna leave

Well it's a one-way ride, I'll take you there tonight

Chorus:

I'm going down, down, down, into the fire

I'm going down, down, down, I'm burning up tonight

I'm going down, down, down, into the fire

Well there's no farewells on the road to hell, I'm going
down

Oh yeah

Let me take you to the point of no return

I'm gonna make you sweat, gonna make you burn

Give me a shot of gasoline, rev it up, gonna make your
motor scream, yeah

Well it's a one-way ride, I'm gonna take you there
tonight

(chorus)

N-n-n-n-n-now, get down, get down, get down, get
down down down down down

Ow!
