Faithfulness  
Distracts me from my ever changing  
Tastefulness  
My mouth upon the richest tongues  
I run for this  
Static at the same time by it all

Common sense  
Can slap me in the face  
And yet I calm dissent  
Embarrassed by your obvious  
Indifference  
Disgusted at the same time by it all  
Watching as my ego breaks your fall

Don't you know that I've  
Been running from you heart  
And I feel like you've been running too  
Don't you know that I've  
been lying from the start  
And I feel like you've been lying too.

Leave you now  
Can't convince myself  
That you're the one somehow  
To free me from this smile  
I call my loneliness  
Stuck inside this need to feel complete  
Now I've left you standing on your feet

Don't you know that I've been  
running from you heart  
And I feel like you've been running too  
Don't you know that I've been  
lying from the start  
And I feel like you've been  
lying too.

Faithfulness is just a little rule  
We break  
Still pretending lust was just a fool  
we faked, we made
