(Jack Lee)

(Answer the bloody phone)

I'm in the phonebooth, it's the one across the hall

If you don't answer I'll just ring it off the wall

I know she's there, but I just had to call

Don't leave me hangin' on the telephone

Don't leave me hangin' on the telephone

I heard your mama, "Now she's goin' out the door

I think she's gone to work, or just gone to the store"

All the things you said I told you to ignore

Oh, why can't we talk again, oh, why can't we talk again

Oh, why can't we talk again

Don't leave me hangin' on the telephone

Don't leave me hangin' on the telephone

It's good to hear your voice, I know it's been so long

If I don't get your call then everything goes wrong

I wanna tell you something you knew all along

Don't leave me hangin' on the telephone

(Solo)

I am the winner of this pointless conversation

Your voice [and cry so makes is me] a slick sensation

I like to talk when I can show you my affection

Oh, I can't control myself, oh, I can't control myself

Oh, I can't control myself

Don't leave me hangin' on the telephone

Get down here on your knees, oh, get down here on

your knees

Oh, get down here on your knees, oh, get down here on

your knees

Oh-oh-oh-oh on your knees
