Death walks and talks and breaths But I'm not scared to die

(Not scared to die)

I've live my life in hell Sometimes I wonder why

(I wonder why)

I heard you scream
You threw it all away
(Threw it all away)
You needed love like a little girl
But then you
You threw it all away
(Threw it all away)
You gave it all away
Away

My life I offer you Has stood the test of time (The test of time)

My blood has proven true And soon I'll make you mine

I heard you scream
You threw it all away
(Threw it all away)
You needed love like a little girl
But then you
You threw it all away
All away
Away
Away
(Whispered)
You never knew
