look at all your friends with something to do yah crying  
all you want and always disagree don't let them catch  
you tounge with your own reason fire filet is the fire filet  
you got to work most harder you've got to be a ghost  
sparta and if they try to control you tell them fire filet is  
the fire filet rise from the depth of the underground  
with the city that killed yourself and they stuck you for  
being left all round calling all station turn it up rules  
and regulations add it up cant tell me what to do but a  
turn it up turn it up turn it up now down liberation down  
liberation down liberation down liberation stand up  
grow up stand up strong don't let them calm you  
pollution cause your one from the two and you are not  
wrong as the fire filet is the fire filet and now there is  
respect in this and there is no distress did i tell you how  
im felling oh fire filet if the fire filet rise from the depth  
of the underground with the city that killed yourself  
and they stuck you for being left all round calling all  
station turn it up rules and regulations add it up cant  
tell me what to do but a turn it up turn it up turn it up  
now sound liberation whoa whoa whoa gotta do this  
right now calling all station whoa whoa whoa gotta do  
this right now (guitar solo) most people rock on the  
basics whoa most people never bring this down whoa  
most people rock on the basics whoa most people  
never bring this down whoa im advising this is right  
most people rock on the basics whoa most people  
never bring this down whoa most people rock on the  
basics whoa most people never bring this down whoa  
im advising this is right so rise from the depth of the  
underground with the city that killed yourself and they  
stuck you for being left all round calling all station turn  
it up rules and regulations add it up cant tell me what  
to do but a turn it up turn it up turn it up now sound  
liberation whoa whoa whoa gotta do this right now  
calling all station whoa whoa whoa gotta do this right  
now most people rock on the basics whoa most people  
never bring this down whoa most people rock on the  
basics whoa most people never bring this down whoa
