(Spawn of an evil jungle bastard)

Splendid warm and easy, lady's! Let me see the place,  
I want to see the dancehall shaking and the people in  
the place vibrating,  
Come with us, lighter crew let me see your lighters in  
the air? Warm and easy!  
Skindred sound bring it to you, now hear this, yer you!

10 seconds left for you to comply and if you don't do it  
son it's do or die  
4 minus counting 3 minus counting 2 minus counting 1  
Lord!

Cause a riot we ah go cause a riot, you flick the switch  
and I will erupt  
Cause a riot we gunner cause a riot, you flick the switch  
and I will erupt

Bring it on strong and we no bring it on weak, the  
faders fly into the red and peak  
Like TNT we explode and freak, bodies go down slam  
the concrete

10 seconds left for you to comply and if you don't do it  
son it's do or die  
4 minus counting 3 minus counting 2 minus counting 1  
Fry!

In this arena body's dem does collide, got a tornado  
pent up inside  
Musically armed twisted dangerous, pride goes down  
ego bites the dust  
10 seconds left for you to comply and if you don't do it  
son it's do or die  
4 minus counting 3 minus counting 2 minus counting 1  
Erupt!

This is real warfare heavy metal warfare my troops, get  
to the pit and prepare  
Real warfare heavy metal warfare all my troops, get to  
the pit and prepare

This real warfare ragga metal warfare my troops get to  
the pit and prepare  
Real warfare heavy metal warfare all my troops, get to  
the pit and prepare

"All crew, let me see your hands in the air? Lighter crew  
are you entertained?  
One thing I wannar know, what do you want blood?  
Violence you want?  
Murder you want? One thing I wannar know? Are you  
entertained?"

Cause a riot we ah go cause a riot, you flick the switch  
and I will erupt  
Cause a riot we gunner cause a riot, spawn of an evil  
jungle bastard,  
Cause a riot we gunner cause a riot  
Cause a riot we ah go cause a riot  
Cause a riot we gunner cause a riot  
Cause a riot we ah go cause a riot
