"Not My Friend"

Visit "[Not My Friend](#)" on MotoLyrics.com

You claim to be so different alternative is what you claim to be but look around and picture all of your friends it's not that hard to see end of individuality, end of individuality homogeny the result of all your effort but difference is your creed you state it clearly that you're not like the rest no they're not like me end of individuality, end of individuality you're a tribute to cloning you're engineered genetically you'll never truly be different you're all the same phenotypically end of individuality, end of individuality end of individuality, end of individuality
