### "Pay To Cum"

I make decisions with precision lost inside this manned  
collision just to see that what to be is perfectly my  
fantasy I came to know with now dismay that in this  
world we all must pay pay to write pay to play pay to  
cum pay to fight! and all in time, with just our minds we  
soon will find what's left behind not long ago when  
things were slow we all got by with what we know the  
end is near hearts filled with fear don't want to listen to  
what they hear and so it's now we choose to fight to  
stick up for out bloody right the right to sing, the right  
to dance the right is ours... we'll take the chance! a  
peace together a piece apart a piece of wisdom from  
our hearts
