I'll give you some extra credit! one! blank stare with a gun in her hand. she'll make him pay for the pain he's caused. she'll never let him get away she'll make him pay. retribution is in her mind 'cause she's got a smoking pistol in her hand. two! she puts the gun in between his eyes. she makes him pray to the god above in the skies. she'll never let him get away she'll make him pay. her pain runs red with blood 'cause she's got a smoking pistol in her hand. she'll make hime pay! three! blood stained with steel in her hands. sweet vengeance, she's got revenge. he took her innocence, she made him pay, she took his life. she slowly starts to smile 'cause she's got a smoking pistol in her hand.
