Well I'm the top of my trade. no one can do it better than me. and you know you want to tell me so. you see everyone wants to be like me. he hides behind a wall of deception. low self esteem, he hides for protection. all based upon a fear of rejection. who makes the call when the charade just falls. the sun will rise at my will. and even at my best, I could do better still. my image corresponds to something never flawed. do make comparisons between me and that of god. he hides behind a wall of deception. low self esteem, he hides for protection. all based upon a fear of rejection. who makes the call when the charade just falls. well I'm the top of my trade. no one can do it better than me. and you know you want to tell me so. you see everyone wants to be like me. he hides behind a wall of deception. low self esteem, he hides for protection. all based upon a fear of rejection. who makes the call when the charade just falls.
