accept responsibility for your own blight. I blame
myself, I blame you, I blame everything I do. I blame

I blame myself, I blame you, I blame everything I do. I
blame the books I read, the food I eat, and the things
that I see. who's to blame! who's to blame! who's to

to think your problem is with yourself. I blame myself, I
blame you, I blame everything I do. I blame the books I
read, the food I eat, and the things that I see
