Ever since I was a child, I tried to be the best...

So what happened?

My family and friends all said I was blessed...

So what happened?

It was supposed to be all so exciting,  
To be teaching of Christ 'cross the sea

But I allowed my faith to be shaken -

Oh, what's the matter with me?

I've always longed to help the needy,

To do the things I never dared

This was the time for me to step up,

So then why was I so scared?

A warlord who shoots people in the face -

What's so scary about that?

I must trust that my Lord is mightier

And always has my back

Now I must be completely devout;

I can't have even one shred of doubt!

I believe that the Lord God created the universe

I believe that he sent his only son to die for my sins

And I believe that ancient Jews built boats and sailed to America

I am a Mormon!

And a Mormon just believes

You cannot just believe part-way,

You have to believe in it all

My problem was doubting the Lord's will,

Instead of standing tall

I can't allow myself to have any doubt,

It's time to set my worries free

Time to show the world what Elder Price is about,

And share the power inside of me!

I believe that God has a plan for all of us  
I believe that plan involves me getting my own planet  
And I believe that the current President of the Church, Thomas Monson, speaks directly to God  
I am a Mormon!  
And, dang it, a Mormon just believes!  
(A Mormon just believes!)

I know that I must go and do the things my God commands  
(Things my God commands!)  
I realize now why he sent me here!  
If you ask the Lord in faith,  
He will always answer you  
Just believe in him and have no fear  
(General! We have an intruder! He just walked right into camp!)

I believe that Satan has a hold of you  
I believe that the Lord God has sent me here!  
And I believe that in 1978  
God changed his mind about black people!  
(Black people!)  
You can be a Mormon!  
A Mormon who just believes...  
(The fuck is this?)

And now I can feel the excitement:  
This is the moment I was born to do  
And I feel so incredible  
To be sharing my faith with you  
The scriptures say that if you ask in faith,  
If you ask God himself, you'll know  
But you must ask him without any doubt,  
And let your spirit grow!  
(Let your spirit grow!)

I believe that God lives on a planet called Kolob!  
I believe that Jesus has his own planet as well  
And I believe that the Garden of Eden was in Jackson County, Missouri

If you believe, the Lord will reveal it  
And you'll know it's all true - you'll just feel it  
You'll be a Mormon!  
And, by gosh, a Mormon just belieeeeves!!!  
(A Mormon just believes)  
(Just believe, a Mormon just believes)

Oh, I believe!  
(Just believe, a Mormon just...)  
I believe! (...believes!)
