I forgot to say that ?????-degrees in the city now will be
comming in the excess of real, real, great, great, in
way, now way yeah? Yeah? I'm not going to be
understanding of a single dang thing that you've done.
????? This start for todays dance is failing. Do you think
it's really happening for everybody? Your's forever. It's
like everyone is dead at the bigtop. Huh? oh, sorry.
Comming up next we've got real some great new wave
someof this stuf you can already hear forever and
ever, yeah forever and ever. Don't forget to die! call
????? 555-3702 Don't forget to be killed, Yeah, it's
gonna' be great. Yeah, definately.
