[whispering:ÃçÂ€Â!}?Never trusted?ÃçÂ€Â!}]

(Kaiser?/Crazy?)

(Black time?)

I looked upon the circus in the sky  
(ÃçÂ€Â!steaming?) colorized ceiling paranoia

Make it go away

Make it go away

(unclean?)

There (for use/for years?)

Until tirade is used

Four ring

Four crap-hole

Listen to the circus

Listen now

Make it go away

Violent (teases/Jesus?) wet in mouth

Repromoting ecstasy escape

No self respected

Lies desperate

Lies pattern

Lies inside

Lies inside

Lies pattern

Lies pattern

Lies inside

(So let's spew?)

Set it in  
Let 'em know how it feels  
In gaping hole holding

Head explode  
Cream drip bucket  
Oversold

Washes dirt

Washing lies  
Blaming cunt  
Who won't realize

Tackle this reaper

Breeze rocking

Burning paper

(???)  
pattern word  
pattern lies
