sample test at best is nothing less run for more i can't
decide

love in the grass is nothing less rather you look me in
the eye

your face creeping in your caring thankless grin

immobilize the setting sin create the mood that's dark
and grim

aortic high arctic part mood altered my paradise is lost

maskover no one left to dock hide the trap caution
deadline remark

aortic matches my grey skin known so long feels like
the next of kin

aortic high arctic part hide the trap caution deadline
remains

a jaded whip rosehip a shallow kiss chauvinistic go look
inside

whilst in the back a gold to lead to resurrect whats left
to die

fainted bait breathes faint tarnish and elevate wipe the
slate kiss goodbye

overuse blank card rendezvous understand bells
mourn the tired
