harsh stone white eyes behold bruise baths soak crying
bones every
days appeal to stop spirit calm on valium hate
permeates and fills the air
icy clouds the atmosphere illusions pull hair no reaction
how was
this done it exists by extraction of reason drooling
drips the bile
of sanity through the thought lines vomiting were even
the clock wailed
and sped past two tic tic toc in time in the real
understanding myself thinking
stand back unafraid and unaffected stand back non
molested were
even down down down again down here in the cracks
face hidden cracks
harsh stone white even were even
