"I've got no fucking monitor"
"I've got no fucking monitor"
all your fucking monitors
Seeing through the keyhole
Watching master beating her

Creep [video?] [hits?/eats?] her
Faced with death

[Ratting?] you
Great to be a k-9 closer to [unasured?]

[Watch?] your rich perversions
Wouldn't you think I have no thought

Wouldn't you think I have no thought

It's a strange decision when the foe bears the control
When with [them?/pain?] I sit in dung crying through a
purr-snore

When I've got the hunger rest [in peace?] so he'll be
there
With the last attachment food withdrawal I cannot bear
Simple calculation now the steps are [false rich?]

Shot claw

Vision recked
K-9
(?voices in backgrnd)

It's not fit to piss in
Why not move so I won't stay
Kick me out in out

[Toss?/Force?] my effects [inside the ???/in
solitary?/in solidarity?]

Open your eyes thanks for a kick
Worry [understand?/understatement?]
Feign emotion don't turn around

K-9
