[whispered]: Through the window, blowing in, ???
message ensured

walk within car passes terminal empty cracks started

showing through unlisted mystery a dead child was
thrown

through a window wind opens windows (will

winds/whirlwinds?) carry promises true will unleash us

(will?/little?) dogs bite flesh, biting, exposing,

freezing the soul, whirlwind blowing through the

(door?soul?sore?)

(gift/guilt?/kid?) crashes ceiling no fantasies gone
ages ago

(mixtures?reaches?wasted?) crashes through privacy
gone ages ago

(mixtures?reaches?wasted?) freezes hands, pale,
lighter,

frozen paintings, illumination, illumination gone,

illumination, illumination gone, illumination not wrong,

[whispered] (ages ago?, kill me?, ages?)

sides heaving, chest boxed in, (I will find the real

you/finally heal you?), lighter, hand in smokes,

(thieves/speaks?) my treasures, there to know, I write a
note,

tossed aside, tossed aside, (word?) shines through a

powder, baby the real you, blood shines through a
powder,

reads the real you, love shines through a

powder, feel the real you, (what?/word?/love?) shines

through a powder, final curtain, what's become of me
and you?
