All so pure
Hard to see
Layers crack the surface
Remains his carcass burning
Maggots bloated floating by
Divine the intern mantra
Big shot crams this information
Lessen sudden hammer
Smashes through the skull
A dread faced two faced fantasy
Revolving walls of misery
A dread faced two faced fantasy
Walls revolving misery
Sane face drain the killing spree
Digging deep in spider's fee
Left out shell broken down
Feed off negativity
I hear the wall
Garden matter
Hunted vision in the place of hate
So did she
And mother murders
Melted minds and a worth of change
You've got a broke down evil entity
Broke down evil entity
You're staring at yourself
You're staring at yourself
I'm kicking down the walls
For all is naught
She is devouring apology
Devouring apology
A tested ??? to see
You're looking vile
A setting stone
Setting stone
You're on your own
You're on your own
A setting stone
Stone of ???
Perfect ??? human needs
Could it be that
He's affected

??? to hostility
Lose respect gain momentum
Dread faced two faced fantasy
Its walls revolving
Dread faced two faced fantasy
Lose respect gain momentum
