Scream pain

Screech for life

Grown ice cold

Sold out with a snare  
Bleeding under the snow  
Can't see

Can't relate

Poured aside my soul  
Feeling fortunate stone  
Fanned out pour disguise

??? vicious feel  
In the midst of hole

Feedback

Frigid words  
Smoldering its coal

Shooting

First flight

Tears of my  
Quiet solitude  
Taste ??? pride

Lessen time with you

Free a layer from the noise

No ??? cruel  
Never was satisfied  
Always ??? in a scene  
Under ??? always  
Dirt defy never seen  
???

???

??? depart

Why aren't there

Growing clear

Shoot 'em

Shooting

First flight

Tears of my

Quiet solitude

Can't ???

Can't see cant relate

Poured aside my soul

Fanned out poor disguise

Feelings fortunate stone

Black hearse

It's alright

Inner shred with gun

Fear smashing into life

Were it not been done

Shooting first flight

Tears of my quiet solitude
