Are we alone?

Mission complete

To the unknown

This is a story
This is so sorry
[Hard as a stone]
Sunk in to deep

Run out of air

Lung full of heavy
It's feeling heavy
Room for one
Fossil to break

Labor of hate
Who are we fooling?

What are we doing?
[In it on time]
[Proof in the meat]

Time to consume

Doesn't concern me
Under a flag free
Are we all completely useless?

Are we?Are we?
End is unknown

Sick and alone

This is a dream

Meant as a nice thing

Meant as a nice thing
So pause at the end

Cause the effect

Shorten the pain

Time for reflection

On to regret them

Are we all completely useless?

Are we?Are we?
