one shot back

don't see what happen

crypt

happen

seeds of ecstasy when ecstasy is applied
eternal

...they're no good to me
...is nothing
nothing is good
nothing is far too smart for me

for me

super [christ?]
only a cure ripped up

it never ceases it never ceases
give me my life I'm today
nothing is uncomplicated
fucked up to me
nature is nervous
Respect just enough
Respect just enough

bullshit ???
Its no fun
Its no fun
its a compromise ??? none
Bullshit it never ceases it never ceases

-cation for the next that goddamn
hole
...this time

too many decisions
...fill the hole
