Crawlin' down, through the alley
Looking for, I don't know
Keep 'em running, keep 'em steady
Like a killer, go with the flow

Hear 'em yelling, hear 'em crying
All I want to see is the great dying
Hear 'em yelling, hear 'em crying
All I want to see is the great dying

I crawled with the fools around
Tried to fight it but it's in my blood
Follow the path of the wolves
Try to escape but I'm too close

Follow the path of the wolves
Try to escape but I'm too close

Hear 'em yelling, hear 'em crying
All I want to see is the great dying
Hear 'em yelling, hear 'em crying
All I want to see is the great dying

Then, I realize I did it again- lost all my senses cannot
feel any pain
Then I realize I did it again- lost all my senses cannot
feel any pain

Follow the path of the wolves
Try to escape but I'm too close

Hear 'em yelling, hear 'em crying
All I want to see is the great dying
Hear 'em yelling, hear 'em crying
All I want to see is the great dying
