Are you ready for another wasted moment alone
That's all you go for
You have to be quick because time doesn't stand still
Another senseless day

Only worry about tomorrow
Feed all your senseless sorrows
Get back in line- no place for an open mind

Will you ever know, will the emptiness let you go
Never be pleased
When the end comes do you wanna stand in the line
In a row for all times

Only worry about tomorrow
Feed all your senseless sorrows
Get back in line- no place for an open mind

Rot, go with the trend- till your bitter end
Let them treat you hard, fit in your role, play your part

Only worry
Only, only worry

Only worry about tomorrow
Feed all your senseless sorrows
Only worry about tomorrow
Feed all your senseless sorrows
