Swimming in dark strange tides
Nothing seems to be right
Have to follow some unseen sign
All I wanna do is to flee away
But somehow I am forced to stay

In the middle, hunted by whom
Why am I here -because of none
Loneliness sneaks into my mind
All I wanna do is to flee away, but somehow, somehow I
am forced to stay

I just wanna escape- leave all the shit behind
I just wanna run away- strip of my chains
I just wanna escape- leave all the shit behind
I just wanna run away

Diving down to the promised ground
No escape, no treasure found
All I wanna do is to flee away, but I am forced to stay

I just wanna escape- leave all the shit behind
I just wanna run away- strip of my chains
I just wanna escape- leave all the shit behind
I just wanna run away

I just wanna escape- leave all the shit behind
I just wanna run away- strip of my chains
I just wanna escape- leave all the shit behind
I just wanna run away
