When I write about Â– the poison in my veins
Don't know if you- can understand
It's just the story- of my life
Try to act cool- but I cannot hide that
I'm marked of Â– my consume
But I know that I'm broken- what's the story about you

Don't know if it is right
Don't know if it is wrong
But I cannot- I cannot hide
Who I am
Don't know if it is right
Don't know if it is wrong
But I cannot- I cannot hide
Who I am

You can see the scars- in my flesh
But you cannot see- what's in my soul
I'm also blinded- by my own view of the world
I criticize all of my words- but you are one of these
blind followers

Don't know if it is right
Don't know if it is wrong
But I cannot- I cannot hide
Who I am

Don't know if it is right
Don't know if it is wrong
But I cannot- I cannot hide
Who I am
Don't know if it is right
Don't know if it is wrong
But I cannot- I cannot hide
Who I am

Who I am- Who I am
It's just me and no one fuckin' else- man
Who I am- Who I am-
It's just me and no one fuckin' else- man
Who I am- Who I am

Who I am- Who I am
Who I am- Who I am

Who am I
