[MAUSBERG]

Here I come with a fourteen Mausberg  
Pistol-whip pumped now punk fools finna get served  
Chillin' in a cut ??? with my road dogs  
Smokin a blunt  
Now my car's full of 'erb smog  
Gangsters in Watts they grew up by the gang shit  
It's time to get paid deliver over a lil' famous  
Some are still peacin', some ain't down with that peace trip  
I'm rollin on D's, I got my 9 with them 1-6  
Stupid busters come to ?? to show he's brave  
But I'm afraid to beslave and that keeps me and 'em  
lookin off in the grave punk

[POPS]

G Pops once again I'm back  
Fresh black Chuck still twisted off the Cognac  
You messed up but you gave it your best the West side  
is the side  
To place your ?Best Yet?  
We're down with the set trip but if you want the funk  
I draw down, pistol whip you then I take your lump  
If it's trouble you want, fool grab your Glock  
(It's the Westside Rider!) G Pops  
I keep it goin if it's on and it's popping  
Yes I fold you, win your soldiers

[REDRUM 781]

Still stuck on the streets starvin', stomach grumblin'  
My knuckles mad scarred from all the rumblin,  
stumblin over bodies  
Damn they almost got me good  
Neither cops nor caps can neither stop me hood  
Should I serve 'em and swervin' and skip town  
Oh yeah, we're gone get down, fool you gonn' get

clowned

How did you figure the trigger weapon wouldn't jump in  
all rounds

I'll be dumpin all slugs I'd be pumpin off

Pumpin Eastside-Westside to set it off

You got something on your chest, fool, let it off

[DOGG]

Once again, once again, the Dogg is back

What's up to all the hookers and peace to the hoodrats

My hood is double 0 too ?popper? than tip-top

I got enough jackers'll get around like 2Pac

Damn, here comes the One-Time, what's it all about?

Throw the strap in the bushes, put the yay' in my mouth

Gotta get away, can't be goin to jail-in

Nothing but smooth sailin, uhh uhh uhh

The Westside got it poppin'

Fools steady droppin', young doggs are hoggs

Westsiiiiide!

Chorus...

[?STRETCH DOG?]

Little homey who is true, nig' what's happenin?

Is you rollin' with the warriors? Yes it's on and crackin'

It's the kingpin gangster with no balls

At no cost a loud mouth I'll get ya broke off

Now we can step into the streets and we can chunk em

All I say is "Give me no hesitation, no way no dumpin"

As I bail down the vibe as a wild G

Nuthin but a dogg, but the projects is IN MEEEE!

And that's really all I know, Y-S to the brain

Eastside til I die, stayin real with this thang

[RED-RAG a.k.a BIG WY]

It's the Y-B-I-G, punks break wild

Watchin' gangster stumble bank, chippin off and say  
you lack

As I tweak in my seat on a new wild pact

Fools homicide, keepin' up the Westside

As you know I ain't no joke or no riddle

Quit when I set trip, bailin' up the middle (Y.G.)

They caught us first, we can never be no gentlemen

I wear Chucks, boxer trunks and a Pendleton

As I step, now I'm fresh out the shower

It's all the Westside, bustin' on my 80 Bower

[LIL' STRETCH]

Lil' Stretch here to face, come to check nuts

Layin 'em down so tell me now whose next up?

I'm hittin' corners in '4 ass lifted-up

Back to the Eastside fool as I hit you up  
Big nuts, black Chucks and a fresh Glock  
Fresh socks, khaki cut-offs and tank-tops  
So if you really hear me fool, won't cha let me know  
Roll up the window, fire up that endo  
I'ma do the same as a wild G, throw back  
To the Eastsiiiiide  
Where we known to jack, huh

Chorus...

What's up trick? What's up trick?  
WOOP-WOOP WOOP-WOOP...

Eastside Eastside  
Westside Westside...
