She's all in the world to me

She does climbs upon my knee

And to me she will forever be

That little, bit-a girl, a-mine

She got two little eyes

That shine so bright

Two little arms

That would caress me so tight

An two little lips

That will kiss me, goodnight

An she's still that little ol' girl a-mine

You know, no one will ever know

What makes me love her so

She's rubbin' her little stockin' feet

As she just tips across my flo'

An she's all in the world to me

She does climb rights upon my knee

She told me she will forever be

That little girl a-mine

(piano)

Two little eyes that shine so bright

Two little arms that caress me, so tight

An two little ol' lips that kiss me goodnight

Still, she's that little bit of girl a-mine

She's all the world to me

And she climbs upon my knee

To me, she'll forever be

She'll still be that little girl a-mine

(piano to end)
