Out of my way  
Let's hit the stage  
And get this show on the road

It's been an hour  
And I'm anxious  
I'm ready to go

Look to my left  
And to my right  
I've got my army tonight

We feel the sweat  
Drip down our faces  
From the heat of the lights

When I'm down and on my knees  
And I can hardly even breathe

You make me feel at home  
Whenever I'm alone  
You're all I've ever known  
Ya you're all I've ever known

I'll sing it once  
I'll sing it twice  
Sing till they turn out the lights

So many faces  
Different places  
Night after night

I shouted out to the crowd  
"Are we doin' alright?"

Cause if you're feeling like I'm feeling  
Then the feeling is right

When I'm down and on my knees  
And I can hardly even breathe

You make me feel at home  
Whenever I'm alona  
You're all I've ever known  
Ya you're all I've ever known
