We worked things out
She wants to move back in
Back into my house

I have my doubts
A lot has changed
Since the day that she walked out

No it's not that I don't love her
And it's not that I am seein someone else
It's not that I don't wanna feel her touch
It's just that I've changed so much
There's something you need to know

Oh I can fly
But tonight
Tonight I'm gonna walk with you
I can fly
But tonight
Tonight I'm gonna walk with you

We're taking it slow
You never know
How the situation will go

She says she's just fine
But the look in her eye
Says that something's just not right

No it's not that I don't love her
And it's not that I am seein someone else
It's not that I don't wanna feel her touch
It's just that I've changed so much
There's something you need to know

Oh I can fly
But tonight
Tonight I'm gonna walk with you
I can fly
But tonight
Tonight I'm gonna walk with you

We worked things out
She wants to move back in
Back into my house

Oh I can fly
But tonight
Tonight I'm gonna walk with you
I can fly
But tonight
Tonight I'm gonna walk with you
