You are not who you used to be!  
We have broken at the seams.

I feel no pain from the weak and the hopeless,  
Because they never change!  
Blaming others, hanging brothers, you are the one that  
changed!  
You know your ready, You filled your life with hate!  
There is no one else to blame for the ways you have  
changed!

You make the same mistakes!

You made the same mistake, for the last time!  
I made the same mistake by forgiving you!  
I forgave you!

You are not who you used to be!  
We have broken at the seams!

(One regret?)

Why does this all make sense?

To give you life, to make a difference  
One last chance!
