Keep your enemies close and keep your friends close  
to your heart  
They will be there by your side  
Will you fight for what you know is right

All the challenges along the way with courage I will face  
I will battle everyday and win my rightful place  
And I choose you

And I choose you  
And I choose you  
I put my trust in you  
And as you go  
I put my faith in you  
And I choose you

I choose you  
I choose you

I choose you

All the challenges along the way with courage I will face  
I will battle everyday and win my rightful place

[Pokemon Team rocket Slogan:]  
Protect the world from devastation  
Unite all people within our nation  
Embrace the virtues of truth and love  
Extend my reach to the skies above

I choose you  
I choose you  
I choose you
