"Living Dead"

I can almost see the end, because the end is now!
This is a wasteland of our past!
We have lost our fucking minds!
We are the living dead!

We have always?
We need to stand as one.
We will find a resolution!
When we stand as one.
As one!

I can almost see the end of the world!
I want to kill this world!
This is a wasteland of our past!
We have lost our fucking minds!
We are the living dead!

We are dead! (There's nothing left, take one last
breath)
