Yeah!

You take away my soul, disorganize control  
So now im askin you, just a petty psycho theif  
Your the merchant of disease,stab at my disappearing  
youth  
So now im askin, We're psychos, we're just a  
brainwashed hero  
Psycho skitsophrenic locomotive automatic (Just a  
brainwashed hero)

Its cold inside im freezing locomotive, I'm off the  
tracks that now you've set in motion, I tell you once and  
i'll tell you again. I cannot save you, I can make this  
bullshit end.

You!

You burned away your mind  
You masturbate your time  
and your is greater than mine

So now im asking you.  
I'll take you through the psycho dream  
I'll stay here with your misery  
And instead its hauntin me  
So now im askin, We're psychos, we're just a  
brainwashed hero  
Psycho skitsophrenic locomotive automatic (Just a  
brainwashed hero)

Its cold inside im freezing locomotive, I'm off the  
tracks that now you've set in motion, I tell you once and  
i'll tell you again. I cannot save you, I can make this  
bullshit end.

Psycho  
Psycho  
Psycho

[Incomprehensible]

So now im askin, We're psychos, we're just a  
brainwashed hero  
Psycho skitsophrenic locomotive automatic (Just a  
brainwashed hero)

Its cold inside im freezing locomotive, I'm off the  
tracks that now you've set in motion, I tell you once and  
i'll tell you again. I cannot save you, I can make this  
bullshit end.
