Where's it begin now that you're in?  
Where is my soul?  
Have I reached the end?  
Is this in your plan?  
Swallow the world whole.

Where's it begin now that you're in?  
Where is my soul?  
God only knows.  
Have I reached the end?  
Is this in your plan?  
Swallow the world whole and they'll never know.

Hand me the light, hand me the light,  
Hand me the light and I'll burn down this whole city.  
Hand me the light, hand me the light,  
Hand me the light and I'll bring my wrath to city streets.  
Let it weigh heavy on my heart.

Hand me the light, hand me the light,  
Hand me the light and I'll burn down this whole city.  
Hand me the light, hand me the light,  
Hand me the light and I'll bring my wrath to city streets.  
Let it weigh heavy on my heart.

Where's it begin now that you're in?  
Where is my soul?  
God only knows.  
Have I reached the end?  
Is this in your plan?  
Swallow the world whole and they'll never know.

Sleep.  
Please let me sleep.  
Inclined to deceive, murder.  
Lurking in the alley.  
It's seen as complete, but bred to defeat.  
My soul, my soul, my soul!

Sleep.  
Please let me sleep.

Inclined to deceive, murder.  
Lurking in the alley.  
It's seen as complete, but bred to defeat.  
My soul, my soul, my soul!

Where's it begin now that you're in?  
Where is my soul?  
God only knows.  
Have I reached the end?  
Is this in your plan?  
Swallow the world whole and they'll never know.

And they'll never know!  
They'll never know!  
Never know!  
And they'll never know!
