Blue blue blue
Blue moon
You saw me standing alone
Without a dream in my heart
Without a love of my own

Blue blue moon
You knew just what I was there for
You heard me saying a prayer for
Someone I really could care for

And then suddenly appeared before day
The only one my arms could ever hold
I heard somebody whispered "Please adore me"
And when I looked
The moon had turned to gold

Blue moon
You saw me standing alone
Without a dream in my heart
Without a love of my own

And then suddenly appeared before day
The only one my arms could ever hold
I heard somebody whispered "Please adore me"
And when I looked
The moon had turned to gold

Now I'm no longer alone
Without a dream in my heart
Without a love of my own
Without a love of my own
