Soft touch speak.
(The kingdom built is crashing down.)
Hold on to me.
(The lawyer's tower's on fire.)
Lust touch seed.
(The villagers are chasing ruins.)
Let me breathe.
(They sing a song to cure the water.)

Every time I read your lines,
Well yeah, real contradicting at times...
But I don't want to believe that I'm just a figment.
And I don't care for the consequence or how you spent
your night pitching
His tent.
(Or exactly how you said his name), while I was on my
way to you.

The salt in the sea doesn't change.
In fact, you are the one who's to blame for staying the
same.
For pulling your pants down each time you were
sweating it out.

Soft touch speak.
(The kingdom built is crashing down.)
Hold on to me.
(The lawyer's tower's on fire.)
Lust touch seed.
(The villagers are chasing ruins.)
Let me breathe.
(They sing a song to cure the water.)
