She cried, "I'd die for you, but it isn't worth it to trust me."

She cried, "I'd die for you, but it isn't worth it to trust me."

Don't speak, look as I'm falling.
No sleep, this can't be healthy.
I've seen more than need be.
Don't breathe.

My intention's to breathe for you.
I would never bend to break.
In case you didn't know, it's the truth.

My intention's to breathe for you.
I would never bend to break.
In case you didn't know, it's the truth.

You'll find your god draped in the fire.
You'll leave him there when there is nothing to find.
You'll find your god draped in the fire.
You'll leave him there when there is nothing to find.

She cried, "I'd die for you, but it isn't worth it to trust me."

She cried, "I'd die for you, but it isn't worth it to trust me."

Don't speak, your words are appalling.
Believe, but your stars are dead.
Don't weave webs you can't handle.
Now see that I'm coming for you...

Clear the trees, I'm coming.
Clear the trees, I'm coming down.
Clear the trees, I'm coming down!

She cried, "I'd die for you, but it isn't worth it to trust me."

She cried, "I'd die for you, but it isn't worth it to trust me."

She cried, "I'd die for you, but it isn't worth it to trust
me, to trust me
Baby!"
She cried, "I'd die for you, but it isn't worth it to trust
me, to trust me
Baby!"

Clear the trees, clear the trees.

You, you said you wouldn't think twice.
You said you wouldn't think twice.
