Sleeping alone  
As lonely as it ever was  
No warm in the cold  
An empty room all said and done

You only wanna dance  
You don't come here to listen to me talk  
You only wanna run  
And give your heart to anyone

You whisper in my ear  
Words that I cannot forgive  
I want you so much  
So bad that I'd take anything

Sleeping on your own  
So hard, you can't turn out the light  
Oh, there's something in a touch  
You never come, and that's not right

You only wanna dance  
You don't come here to listen to me talk  
You only wanna run  
And give your heart to anyone  
And that's not right

You only wanna dance
