Lung sneeze me out
Like a disease
Love peg me down
Onto this bed
IÂ'm begging you
DonÂ't rape me now
IÂ'm made of glue
IÂ'll bind to you

Tongue spit me out
God set me down
Onto my head
IÂ'm bigger than
Led Zeppelin
This fountain pen
Will kill all men

Brain-dead, and bearing arms
Cowboys, and cut cigars
We want you all to know
We will not die alone

Lung sneeze me out
Like a disease
Love peg me down
Onto this bed
IÂ'm begging you
DonÂ't rape me now
IÂ'm made of glue
IÂ'll bind to you
