They did it for money
The sky is exploding in
IÂ'm not ascard
Ooo (stop, go, stop, go)
Of pumkin heads

Universal nonsense
Economic process
IÂ'm not ascard
Ooo (stop, go, stop, go)
Of rabbit ears
Ooo (stop, go, stop, go)
IÂ'm not ascard

Undulated babies
And kittens with rabies
IÂ'm not ascard
Ooo (stop, go, stop, go)
Of lemonade

That dog tried to bite me
Tied up to that oak tree
IÂ'm not ascard
Ooo (stop, go, stop, go)
Of Pinkertons

Ooo (stop, go, stop, go)
IÂ'm not ascard
