I, I'm driving the back roads
In my mind, the oceans cold
I, I cant wait on you
My time is now and now that it?s true

If I cant find, find my way to the sand
I?ll dream that I, I see sun on the waters edge

I, I will travel far
But my visions blurred, the suns in my eyes
I, I'm driving the back roads
In my mind, the oceans cold

If I cant find, find my way to the sand
I'll dream that I, I see sun on the waters edge

Imagine the sun shines on your back
If time stood still, you know I'd be back

If I cant find, find my way to the sand
I?ll dream that I, I see sun on the waters edge

The oceans cold, the oceans cold
I'm going away

I?ll run away
Go a distance for
I?ll run away, away

I?ll run away
Go a distance for you
I?ll run away, away for you
