Punch to the face
Makes you hit the floor
Such a disgrace
And you come back for more

What do you waste?
What do you score?
A wicked embrace
A willful rapport

A wicked embrace
A willful rapport

Stuck in the waste
Caught in the waste
Stuck in the waste
Caught in the waste

Stuck in the waste
Caught in the waste
Stuck in the waste
Caught in the waste

Stuck in the waste
Stuck in the waste
Stuck in the waste
Stuck in the
Stuck in the
