Interesting,
Detective gets from O to V,
He's searching for a heart of gold,
It's fun and interesting
Interesting,
He's down with Price and he is white,
He's wearing glasses and he's bright,
He's fun and interesting

Come on come on cloner, (super super)
Clone me another me, (good good)
My generation, (brilliant)
Needs another me, (super super)
Me and me, (sweet harmony)
Hearts of gold, bodies of lust
Forbidden love reach the stars

Interesting,
Detective doo-be-doo-be-dee

He's searching for the Kaiser thief
It's fun and interesting
Tour-de-force,
Exhilarating and intense
With power-house performances
It's very interesting

Heart of gold, bodies of lust,
Forbidden love, reach the stars
Outer space, interesting, fun,
In-te-rest-ing (interesting, ting ting!)
Heart of gold, bodies of lust,
Forbidden love, reach the stars (swoosh!)
Outer space, (pif-af!), interesting, fun,
In-te-rest-ing (interesting, ting ting!)
