I saw them,  
Upstairs at The Garage,  
Pretty good,  
I saw them,  
I am not afraid

Frances left, and she does that magazine now,  
And then Naomi, Horton, Giles, still there  
I saw them,  
Pretty good,  
I am not afraid,  
Alex lives in Berlin now, flower shop and all,  
I saw them at the Spitz, HQ Club, that was legendary,  
The 291 Gallery, State 51, 93 Feet East, 18 Kingsland  
Road,  
There was that squat place, that was awesome but I  
think they hated it,  
I saw them,

Dan looks like Syd,  
And that guy called Mars was in them once as well,  
Pretty good!
