"We Are Nobody"

Leave you all behind
Paying for my crime
See me now
Now you don't
Rapid dissolve
Each of all
Separate
Slowly devolve

I am nobody
I am you are we
See you now
Now I don't
Never involve
Each of all
Separate
Never evolve

Everyone disappears
Leave our homes in arrears
I am you
You are we
We are nobody

None of you are me
Enemy are we
See us now
Now they don't
Never absolve
Each of all
Separate
Slowly devolve

After the decline
Everything is fine
Now you see
Enemy
Slowly dissolve
Each of all
Separate
Never evolve

Everyone disappears
Leave our homes
I am you
You are we
We are nobody

(I am we are nobody)

Nobody!
