Well done you
You've really really got the hang of it
That's excellent stuff there
Come on, I'll buy you a drink

We're really glad to have you with us
I know you were struggling at first
But soon you tackled it head on
And that was quite a feat, considering

Well done you
You've really really shown ambition here
A little rough round the edges
But who cares, with an outcome like this

A coke? A beer? Don't be shy. A coke then.

Top-notch stuff
You've really really gone that extra mile
You've got your head screwed on right
Even if we're just dancing in the dark
