Feel like a car crash  
Fish out of pond  
What did we do here  
In our day our day

Look through this window  
This was our sky  
Like it's still full of  
Our day, our day

Wrote you a letter  
I'd soon regret  
Made me feel better  
For a day, for a day

Writing's for cowards  
Talking's for men  
Cowards write songs and  
Never do what needs be done

What did we do here?  
What did we do?

Feels like a war zone  
Only it's not  
Only locations  
Of our day long ago

Being with many  
Living with none  
The sky is empty  
Not my day not my day

Wrote you a letter  
I'd soon regret  
Made me feel better  
For a day, for a day

Writing's for cowards  
Talking's for men  
Cowards write songs and

Never do what needs be done

What did we do here?

What did we do?
